MESSAGE FROM PRESIDENT OF MALAYSIAN ORTHOPAEDIC ASSOCIATION

I welcome everyone to the 51st Malaysian Orthopaedic Association Annual Scientific Meeting 2022. It is wonderful to see and meet fellow colleagues again in-person inside these halls at the Shangri-La Hotel Kuala Lumpur. It is also a testament to the times that we live in that we will be meeting some of you virtually.

Nevertheless, I am thankful that we are all still here and our field of orthopaedics continues to flourish in this generation.

I would like to make a special mention of our three giants of orthopaedics, Dato' Dr M. Sivanantham, Assoc Prof Dr Ya Mohammad Hassan Shukur and Prof Dr P. Balasubramaniam who have departed in the last year. Their contribution to our fraternity continues to live on whenever we meet and gather.

I would like to thank my organising chairman, Prof Dr Tunku Kamarul Zaman Tunku Zainol Abidin, and scientific chair, Assoc Prof Dr Azura Mansor plus their committee who have worked hard to bring us this successful hybrid conference in these ever-changing times. I would also like to thank our industry partners who are unwavering in their support of MOA's Annual Scientific Meeting.

I hope we all have a wonderful reunion, reconnecting with each other after three years of absence. I also take this opportunity to congratulate and welcome our newest batch of orthopaedic surgeons. I wish everybody a memorable meeting both in education content as well as the renewal of friendship.

Stay safe and take care.

Dr Suhail Suresh Abdullah

President

Malaysian Orthopaedic Association Council 2021 – 2022

MALAYSIAN ORTHOPAEDIC ASSOCIATION OFFICE BEARERS 2021/2022

	Dr Robert Penafort

MESSAGE FROM ORGANISING CHAIRMAN OF 51ST MOA ASM 2022

Dear Colleagues, Fellows and Friends of the Orthopaedic Community,

On behalf of the Organising Committee, I look forward to welcoming you to Kuala Lumpur for this year's 51st Malaysian Orthopaedic Association Annual Scientific Meeting 2022 at the iconic Shangri-La Hotel located in the heart of this nation's capital. After a hiatus of 3 years, we are delighted to be able to conduct this year's meeting physically in this hotel and look forward to welcome over 1,000 registered participants at the event. As we move on to the endemic phase, we understand that there may be those who are not comfortable with a physical meeting and therefore this year, we also have an online presence that will run concurrently with the main event. Regardless of your choice, our tailored programme promises an excellent meeting, no matter where you are.

We have assembled a thought-provoking scientific programme focused on managing our ageing society with the theme "Greying Gracefully: The new paradigm in for orthopaedics in an ageing population". The Organising Committee has identified various aspects of clinical practice and research where we, as healthcare providers, can work together to manage the expectations of an ageing society. We hope to provide new insights on the latest treatment and technologies that would make greater positive impact to our society.

This year we shall honour three of our most distinguished and senior colleagues who have passed away during the pandemic, all of whom have served the orthopaedic community with great distinction. These were pioneers and teachers who had achieved great things for this society and I see no better way to honour them than to have a session of remembrance in this conference. It is sad that

we have lost them forever but one of these great titans used to tell me, "...the 2nd edition has to be better than the 1st" And with that, we welcome the arrival of 244 new orthopaedic surgeons into our community, who graduated from 2019 to 2022. It is our hope that new blood coming into MOA can help reinvigorate the society with new ideas and renewed energy.

Being the chairman of this productive and active committee, I am proud to say that we have planned an event to be one of (if not "The") best conference that MOA has ever organized, and the only one ever to be conducted as a hybrid (physical & virtual) meeting. This event would also see exciting new development for MOA with the announcement of our new headquarters and the official collaboration with the Asia Pacific Orthopaedic Association (Malaysia chapter). This is just a starter and we expect many exciting things to happen during this event and; with over 50 companies participating to date, international presence & participation, onsite cadaveric workshops & symposiums, we are certain that the participants would not be disappointed.

I hope you will enjoy the programme and, more importantly, have good time catching up with old friends. I look forward to seeing you at the meeting and until then do stay safe!

Prof Dr Tunku Kamarul Zaman Tunku Zainol Abidin
Organising Chairman

Keynote Speaker

TAN SRI DATO' DR MANI JEGATHESAN

Tan Sri Dato' Dr M. Jegathesan is a medical doctor specialising in medical microbiology. He is now retired having served full time career in the Ministry Of Health Malaysia, including posts of Director of the Institute for Medical Research and Deputy Director General of the Ministry of Health. Tan Sri Jega worked in the private sector post retirement.

He is also the winner of two National Awards, Sportsman of the year in 1967 for Sporting Prowess including Multiple Asian Games Gold Medallist and being a three-time Olympian. He also received the National Science Award in 1995 for research and publications.

His post competitive career included involvement with sports medicine and sports administration including serving as chairman of the medical committee of the Olympic Committee of Malaysia, the Commonwealth Games Federation, and the Olympic Council of Asia.

Thursday
9th June 2022

9.30 am
to **11.00 am**

1415	1545	Arthroplasty Session	
		Current Topics & Latest Practise In Knee Arthroplasty	
		Chairperson	Dr Mohd Fairuz Suhaimi, Malaysia
1415	1424	My Algorithm In Patient Selection For TKA	Dr Rizal Abdul Rani, Malaysia
1424	1433	Achieving The Correct Tibial And Femoral Rotation	Dr Lee Chong Meng, Malaysia
1433	1442	Can 1 Implant Suit All Primary TKA Patients?	Assoc Prof Dr David Parker, Australia
1442	1451	CR Vs PS Vs CS. Which Is Better?	Dr Shahrul Hisham Sulaiman, Malaysia
1451	1500	Managing Expectations In TKA	Dr Ahmad Fauzey Kassim, Malaysia
1500	1509	Robotics In TKA: A New Paradigm Shift	Assoc Prof Dr David Parker, Australia
1509	1518	The Pressing Need For A Registry	Assoc Prof Dr G. Ruslan Nazaruddin Simanjuntak, Malaysia
1518	1545	Q&A Session	All speakers above
1545	1600	Advertisements	
1600	1730	Arthroplasty Session	
		Current Topics & Latest Practices in Hip Arthroplasty	
		Chairperson	Dato' Dr Badrul Shah Badaruddin, Malaysia
1600	1609	How Important Are Patient Related Outcome Measurements (PROMS) In THA?	Dr Chan Chee Ken, Malaysia
1609	1618	Is Dual Mobility The Way Forward In THA?	Dr Fahrudin Che Hamzah, Malaysia
1618	1627	Does THA Help Improve Back Problem?	Prof Dr Azhar Merican, Malaysia
1627	1636	Diagnosing And Managing Infection In THA	Prof Dr Azlina Amir Abbas, Malaysia
1636	1645	Tips & Tricks In Revision THA	Prof Dr Ross Crawford, Australia
1645	1654	Femoral Cement In Cement Technique	Prof Dr Ross Crawford, Australia
1654	1703	Robotics In THA: The New Frontier	Dr Chua Hwa Sen, Malaysia
1703	1730	Q&A	All speakers above

PROGRAMME DETAILS

Friday, 10th June 2022 | **PHYSICAL VENUE**

Sabah Ballroom

Time			Speaker
0900	0930	Plenary Lecture	
		Chairperson	Dato' Dr Lee Joon Kiong, Malaysia
		Why Greying Gracefully Requires New Colleagues	Dr Hannah Seymour, Australia
0930	0945	P. Balasubramaniam Best Published Translational Medicine (Non Clinical) Paper Award Presentation	
		Chairperson	Assoc Prof Dato' Dr Azmi Baharudin, Malaysia
		Tissue-Engineered Hydroxyapatite Bone Scaffold Impregnated With Osteoprogenitor Cells Promotes Bone Regeneration In Sheep Model	Prof Dr Mohd Yazid Bajuri, Malaysia
0945	1000	Subir Sengupta Best Published Clinical Paper Award Presentation	
		Chairperson	Dr Roshan Gunalan, Malaysia
		Arthroscopic Subchondral Drilling Followed By Injection Of Peripheral Blood Stem Cells And Hyaluronic Acid Showed Improved Outcome Compared To Hyaluronic Acid And Physiotherapy For Massive Knee Chondral Defects: A Randomized Controlled Trial	Dr Saw Khay Yong, Malaysia
1000	1030	Tea Break	
1030	1200	Zimmer Biomet Symposium	
		An Innovation in Total Knee Arthroplasty	
		Chairperson	Dato' Dr Lee Keat Hwa, Malaysia
		Introduction	Dato' Dr Lee Keat Hwa, Malaysia
		Optimizing TKA Workflow With ROSA® Application. A Cadaveric Demonstration.	Dr Suhail Suresh Abdullah, Malaysia
		Q&A	
		Debate session: Is ROSA® Total Knee Replacement An Innovation Or A Trend?	Assoc Prof Dr G. Ruslan Nazaruddin Simanjuntak, Malaysia Dr Chua Hwa Sen, Malaysia
		Summary

Friday, 10th June 2022 | **PHYSICAL VENUE**

Sabah Ballroom

Time			Speaker
1200	1300	Hoe Pharma Lunch Symposium	
		Chairperson	Dr Suhail Suresh Abdullah, Malaysia
		The Multimodal Approach In Managing Osteoarthritis	Dato' Dr Lee Joon Kiong, Malaysia
1300	1600	Exhibit Visit	
1600	1700	Malex Medical Tea Symposium: Common Sports Injuries Of The Shoulder	
		Chairperson	Assoc Prof Dr Mohd Nizlan Mohd Nasir, Malaysia
		AC Joint Repair – Advanced Trauma	Dr Peter Terence John Campbell, Australia
		Traumatic Shoulder Instability	
		Q&A Session	All speakers above
1700		End of Day 2	

PROGRAMME DETAILS

Friday, 10th June 2022 | **PHYSICAL VENUE**

Selangor Ballroom

Time		Speaker
1000	1100	Best Basic Science Poster Award Judging
		Chairperson Dr Faizal Sikkandar, Malaysia
		Judge 1 Prof Dr Mohamad Zaki Haji Mohd Amin, Malaysia
		Judge 2 Prof Dr Mohd Imran Yusof, Malaysia
		Judge 3 Assoc Prof Dr Kamarul Ariffin, Malaysia
		Bone Marrow Aspirate Concentrate And Platelet Rich Plasma Combination Effect In Rabbit Articular Cartilage Defect Treatment Ms. Nabillah Abd Radzak
		Characterization Of Osteoarthritic Synovium And Synovial-Derived Fibroblasts In Relation To Obesity Ms Chiew Chiaw Lee
		Synovial Fluid-Derived Exosomal-Pirnas As Biomarkers For Osteoarthritis Ms Goh Tuan Xin
		Intra-Articular Injections Of Peripheral Blood Mesenchymal Stromal Cells And Platelet-Rich Plasma Promotes Superior Full-Thickness Cartilage Defect Studies In Rabbits Ms Rufaidah Othman
		Human Adipose Derived Mesenchymal Stromal Cells Proliferation And Collagen Production By Adiponectin Modulation Ms Shaliny Hari Rama Krishnan
1100	1230	Mahmood Merican Best Masters Research Award Judging
		Chairperson Dr Imma Isniza, Malaysia
		Judge 1 Prof Dr Ross Crawford, Australia
		Judge 2 Prof Dr Ahmad Hata Rasit, Malaysia
		Judge 3 Prof Dr Abdul Razak Sulaiman, Malaysia
		Safety Of Human Mesenchymal Stem Cells In Cynomolgus Monkeys During The Regeneration Of Axons With Seeded Nerve Conduit Dr Ezra Ding Kai Sing
		Changes In The Tibial Strain Following Proximal Fibular Osteotomy: A Biomechanical Cadaveric Study Dr Muhammad Yasir Ahmad Muslim
		A Phase II Study Assessing The Preliminary Outcome For Efficacy Of Allogenic Umbilical Cord Derived Mesenchymal Stem Cells In Patient With Knee Cartilage Injury Dr Mohd Saperi Zool Kipele
		Low-Level Laser Therapy In Carpal Tunnel Release Dr Chuah Jia Peng
		Biomechanical Study Of Pauwel's III Femoral Neck Fracture: A Novel Cannulated Screw Fixation Method Dr S Suresh Sri Ramulu
		Use Of Decellularised Human Amniotic Membrane As A Carrier For Platelet Rich Plasma And Mesenchymal Stromal Cells To Promote Healing Of Acute Large Wounds Dr Ahmad Faris Mohd Khairuddin

Kuala Lumpur Time		Speaker	
1000	1200	Oncology Session	
		Sacral-Pelvic Tumours	
		Chairperson	Prof Dr Zulmi Wan, Malaysia Prof Dr Wan Faisham Nu'Wan Ismail, Malaysia
1000	1012	Evolution Of Prosthetic Reconstruction After Periacetabular Tumor Resection	Prof Dr Wei Guo, China
1012	1024	Osteoarticular Reconstruction Of Pelvis Using ERCT	Dr Manish Agarwal, India
1024	1036	Surgery Of Sacral Tumours	Prof Dr Francis J. Hornicek, USA
1036	1048	Abdominal Aortic Balloon And Surgical Management Of Sacral Tumours	Prof Dr Xiaodong Tang, China
1048	1058	Surgical Management Of Sacral-Pelvic Tumours – University Malaya Medical Centre's Experience	Prof Dr Vivek Ajit Singh, Malaysia
1058	1116	Q & A Session	All speakers
		Management Of Skeletal Metastases	
		Chairperson	Prof Dr Azura Mansor Dr Aaron Paul, Malaysia
1118	1130	New Scoring System For Bone Metastasis And Its Clinical Application	Dr Hirohisa Katagiri, Japan
1130	1148	Crossfire Session: Long Bone Metastases: Plating Versus Nailing	
1130	1136	Plating	Dr Sahran Yahaya, Malaysia
1136	1142	Nailing	Dr Prashant Narhari, Malaysia
1142	1148	Live Debate	Dr Sahran Yahaya, Malaysia Dr Prashant Narhari, Malaysia
1148	1200	Q & A Session	All speakers above
1200	1430	Advertisements	
1430	1600	Sports Session	
		Reviving The Aging Shoulder	
		Chairperson	Dr Sazali Salleh, Malaysia Dr Moganadass Muniandy, Malaysia
1430	1445	Shoulder Instability After The Age Of 40	Dr Hiroyuki Sugaya, Japan
1445	1500	Frozen Shoulder: Role Of Arthroscopic Capsular Release	Dr Sivalingam Rajagopal, Malaysia
1500	1515	Reverse Shoulder Arthroplasty In Failed Rotator Cuff Repair	Assoc Prof Dr Mohd Nizlan Mohd Nasir, Malaysia
1515	1530	Treating ACJ Arthritis	Dr Siva Thangaraju, Malaysia
1530	1600	Q&A Session	All speakers above
1600	1615	Advertisements

1000	1200	Foot & Ankle Session	
		Hindfoot Problem In The Elderly	
		Chairperson	Dr Thong Fu Yuen, Malaysia
1000	1010	Chronic TA Rupture	Dr Mohammad Izani Ibrahim, Malaysia
1010	1020	Progressive Hindfoot Deformity In Elderly	Dr Leow Voon Chin, Malaysia
1020	1030	Ankle OA	Prof Dr Mohd Yazid Bajuri, Malaysia
1030	1040	Endoscopic Plantar Fascia Release For Chronic Plantar Fasciitis	Prof Dr Tanawat Vaseenon, Thailand
1040	1100	Q&A Session	All speaker above
		Midfoot And Forefoot Problems In The Elderly	
		Chairperson	Dr Thong Fu Yuen, Malaysia
1100	1110	Charcot Foot	Dr Mohd Fadhli Miskon, Malaysia
1110	1120	Minimally Invasive HV Surgery	Dr Thong Fu Yuen, Malaysia
1120	1130	Chronic Metatarsalgia	Assoc Prof Dr Chua Yeok Pin, Malaysia
1130	1140	Strategies In The Surgical Management Of Diabetic Foot Wounds For Limb Salvage	Assoc Prof Dr Aziz Nather, Singapore
1140	1200	Q&A Session	All speaker above
1200	1430	Lunch Break	
1430	1600	Trauma Session	
		Recent Update On Complex Pectoral & Pelvic Girdles Trauma	
		Chairperson	Dato' Dr Abdul Rauf, Malaysia
1430	1440	The Approach & Outcomes For Combined Glenoid & Scapular Neck/Body Fracture Fixation	Dr Ahmad Arieff Atan, Malaysia
1440	1450	Short Term Outcome Of Femoral Head Fracture With Hydroxyapatite Coated Biodegradable Screw Fixation Via Ganz Trochanteric Flip Osteotomy; An Invisible Art	Dr Mohamad Hafiz Mohmad Hassim, Malaysia
1450	1500	Fragility Fracture In Pelvic & Acetabular: HTJ Experience	Dr Norhaslinda Bahaudin, Malaysia
1500	1510	Spinopelvic Dissociation Treated With Lumbopelvic Fixation Supplemented With Gull Wing Plate	Dr Zamri Ab Rahman, Malaysia
1510	1520	Cerclage Wire & Cable Fixation In Acetabular Fractures	Prof Dr Park Kyung-Soon, Korea
1520	1600	Q&A Session

Kuala Lumpur Time		Speaker	
0830	0945	Ortho Research Session	
		The Paradigm Shift In Cartilage Repair	
		Chairperson	Assoc Prof Dr Joyce Koh Suang Bee, Singapore
0830	0834	Introduction And Slido	Assoc Prof Dr Joyce Koh Suang Bee, Singapore
		Debate - Total Knee/Hip Replacement Versus Cell Based Therapy	
0834	0842	Total Knee/Hip Replacement	Dr Joseph Alsousou, United Kingdom
0842	0850	Cell Based Therapy	Prof Dr James Hui Hoi Po, Singapore
0850	0858	Live Debate	
0858	0902	Slido And Closing	
		The Tissue Engineering Application In Cartilage Regeneration	
		Chairperson	Prof Dr Azlina Amir Abbas, Malaysia Dr Krishnamurithy Ganesan, Malaysia
0902	0912	Ageing: One Of The Features In Osteoarthritis	Prof Dr Tunku Kamarul Zaman Tunku Zainol Abidin, Malaysia
0912	0922	Current Trends In Biomaterial Development For Bone Tissue Engineering	Assoc Prof Dr Hanumantha Rao Balaji Raghavendran, India
0922	0932	Biomechanics In Sports Trauma	Assoc Prof Dr Andy Yew Khye-Soon, Singapore
0932	0942	Q&A Session	
0942	0945	Slido Session	
0945	1000	Tea Break	
1000	1200	Hand Session	
		Trauma, Nerve Injuries & Infections Of The Hand	
		Chairperson	Prof Dr Tunku Sara Tunku Ahmad Yahaya, Malaysia
		Debate: Distal Radius Fractures In Elderly: To Operate Or Not	
1000	1004	To Operate	Dr Ranjit Singh Gill, Malaysia
1004	1008	Not Operate	Prof Dr Manohar Arumugam, Malaysia
1008	1013	Live Debate

Kuala Lumpur Time			Speaker
1013	1022	Median Nerve: High Lesions Are Quite Common.	Prof Dr Donald Lalonde, Canada
1022	1031	Arthroplasty In Hand: Availability & Experience.	Dr Ranjit Singh Gill, Malaysia
1031	1040	Diabetes Can Be Damaging Even In Hand.	Dr Jeremy Prakash Silvananthan, Malaysia
1040	1045	Why WALANT Serves Better The Elderly Than Sedation	Prof Dr Donald Lalonde, Canada
1045	1100	Q&A Session	
		Inflammation & Degenerative Disease Of The Hand	
		Chairperson	Dr Ruban Sivanoli, Malaysia
		Debate: Trigger Finger: Percutaneous Needle Release Vs Open Release A1 Trigger	
1100	1104	Percutaneous Needle Release	Prof Dr Tunku Sara Tunku Ahmad Yahaya, Malaysia
1104	1108	Open Release A1 Pulley	Dr Chairaj Uerpairajkit, Thailand
1108	1113	Live Debate	
1113	1122	My Experience In Surgical Management Of Rheumatoid Hand	Assoc Prof Josephine Ip, Hong Kong
1122	1131	Osteoporosis: Implications In Wrist & Hand	Dr Juzaily Fekry Leong, Malaysia
1131	1140	Thumb CMCJ Arthritis: Masquerading As Dequervain	Assoc Prof Dr Shalimar Abdullah, Malaysia
1140	1200	Q&A Session	
1200	1315	Advertisements	
1315	1515	Humanitarian Session	
		There Is No Joy Equal To That Being Able To Work In Orthopaedic For All Humanity	
		Chairperson	Dr Sanjiv Rampal, Malaysia
1315	1335	Developing Basic Orthopaedic Services In Developing Countries	Prof Dr Saw Aik, Malaysia
1335	1350	The Nepal Earthquake Disaster Of 2015 - My Experience As A Volunteer	Dr Premganesh Ganaisan, Malaysia
1350	1405	Journey Of Street Orthopaedics	Dr Sanjiv Rampal, Malaysia
1405	1420	Role Of Orthopedics In Flood Relief Missions	Dr Nik Alif Azriq Nik Abdullah, Malaysia
1420	1435	Humanitarian Mission In Yemen	Dr Ashok Kannan, Malaysia
1435	1450	Orthopaedic Practice In The Aftermath Of A Humanitarian Crisis	Assoc Prof Dr Zairul Nizam, Malaysia
1450	1515	Q&A Session	
1515		Closing Ceremony	

**P. BALASUBRAMANIAM BEST PUBLISHED TRANSLATIONAL MEDICINE
(NON CLINICAL) PAPER AWARD WINNER**

**Tissue-Engineered Hydroxyapatite Bone Scaffold Impregnated With Osteoprogenitor Cells
Promotes Bone Regeneration In Sheep Model**

Mohd Yazid Bajuri

**SUBIR SENGUPTA BEST PUBLISHED CLINICAL PAPER
AWARD WINNER**

**Arthroscopic Subchondral Drilling Followed By Injection Of Peripheral Blood Stem Cells And
Hyaluronic Acid Showed Improved Outcome Compared To Hyaluronic Acid And Physiotherapy
For Massive Knee Chondral Defects: A Randomized Controlled Trial**

Saw Khay Yong

**MAHMOOD MERICAN BEST MASTERS
RESEARCH AWARD FINALISTS**

MMA01 **Safety Of Human Mesenchymal Stem
Cells In Cynomolgus Monkeys During
The Regeneration Of Axons With Seeded
Nerve Conduit**
Ezra Ding Kai Sing

MMA02 **Changes In The Tibial Strain Following
Proximal Fibular Osteotomy: A
Biomechanical Cadaveric Study**
Muhammad Yasir Ahmad Muslim

MMA03 **A Phase II Study Assessing The
Preliminary Outcome For Efficacy
Of Allogenic Umbilical Cord Derived
Mesenchymal Stem Cells In Patient With
Knee Cartilage Injury**
Mohd Saperi Zool Kipele

MMA04 **Low-Level Laser Therapy In Carpal
Tunnel Release**
Chuah Jia Peng

MMA05 **Biomechanical Study Of Pauwel's
III Femoral Neck Fracture: A Novel
Cannulated Screw Fixation Method**
S. Suresh Sri Ramulu

MMA06 **Use Of Decellularised Human Amniotic
Membrane As A Carrier For Platelet Rich
Plasma And Mesenchymal Stromal Cells
To Promote Healing Of Acute Large
Wounds**
Ahmad Faris Mohd Khairuddin

**BEST BASIC SCIENCE POSTER
AWARD FINALISTS**

BBS01 **Characterization Of Osteoarthritic
Synovium And Synovial-Derived
Fibroblasts In Relation To Obesity**
Chiew Chiaw Lee

BBS02 **Synovial Fluid-Derived Exosomal-piRNAs
As Biomarkers For Osteoarthritis**
Goh Tuan Xin

BBS03 **Bone Marrow Concentrate And Platelet
Rich Plasma Combination Effect In Rabbit
Articular Cartilage Defect Treatment**
Nabillah Abd Radzak

BBS04 **Intra-Articular Injections Of Peripheral
Blood Mesenchymal Stromal Cells And
Platelet-Rich Plasma Promotes Superior
Full-Thickness Cartilage Defect Studies
In Rabbits**
Rufaidah Othman

BBS05 **Human Adipose Derived Mesenchymal
Stromal Cells Proliferation And Collagen
Production By Adiponectin Modulation**
Shaliny Hari Rama Krishna

Theme

Greying Gracefully: The New Paradigm For Orthopaedics In An Ageing Population

Amgen Sponsored Symposium

"Why Bone Formation Agents First?"

Date : **9th June 2022** (Thurs)

Time : **13:00 – 14:00** (MYT)

Venue : **Shangri-La Sabah Ballroom
Shangri-La Kuala Lumpur**

Chairperson

Professor Datuk Dr. Sabarul Afian Mokhtar

MD (UKM), MS ORTH (UKM), FRCS (Edinburgh),
Fellowship of Spine Surgery (Japan),
PhD in Spine Surgery (Australian School of Advanced Medicine, Sydney)

Prof. Sabarul is a Professor of Orthopedic Surgery (Spine) at the Department of Orthopaedics and Traumatology, Faculty of Medicine, Universiti Kebangsaan Malaysia (UKM). He obtained his Medical Degree and Orthopaedic Specialty training from UKM. He continued with subspecialty training in the field of Spine Surgery at Tohoku University, Sendai, Japan and a PhD Clinical Fellow for Spine Surgery at the Australian School of Advanced Medicine, Macquarie University, Sydney.

He is the founding member and the past President of the Malaysia Spine Society. In 2018, he established the Fracture Liaison Service at UKM Medical Centre, with the goal of ensuring fracture risk assessment and treatment is delivered to all patients with osteoporotic fragility fractures. The UKM FLS team has since achieved Silver award in the IOF Capture the Fracture Map.

Prof. Sabarul is the recipient of numerous awards for his services, academic and research achievement in the field.

Speaker

Professor Wong Man-yeung, Ronald

BCMPPH, MBChB (CUHK), MRCS(Ed), PhD (CUHK), FHKCOS, FHKAM (Orthopaedic Surgery), FRCSEd (Orth)
Assistant Professor (Clinical) of Orthopaedics & Traumatology

Dr. Wong is a Clinical Assistant Professor in the Department of Orthopaedics & Traumatology, CUHK. He obtained his Bachelor of Computing (Honors; SSP Biomedical Computing) at Queen's University, Canada and Bachelor of Medicine and Bachelor of Surgery at CUHK. He further pursued a Doctor of Philosophy in Orthopaedics & Traumatology. He is currently a Fellow of the Royal College of Surgeons of Edinburgh.

Dr. Wong also has several professional memberships and serves as a Faculty and Council Member of the Asian Association for Dynamic Osteosynthesis (AADO). He is also a Council Member of the Osteoporosis Society of Hong Kong (OSHK), Hong Kong Osteoporosis Foundation (HKOF), and Asia Pacific Osteoporosis & Fragility Fracture Society (APOFFS) – Section of Asia Pacific Orthopaedic Association (APOA). His major research interests are in Trauma and Fracture, Osteoporosis, and Sarcopenia.

Dr. Wong has published in numerous international journals and have many invited presentations at conferences. He currently acts as Editorial Board Members in multiple journals. He has obtained several competitive grants for innovative research including GRF, HMRP, OTC, etc. Additionally, in recognition of his research, Dr. Wong has won numerous local and international research awards. Dr. Wong also received the Gold Medal from the Hong Kong Academy of Medicine for BORT. Upon obtaining his Fellowship, he was awarded the Sir Harry Fang Gold Medal for HKCOS-RCSE Joint Specialty Fellowship Examination. He was also awarded as a Distinguished Young Fellow in the Hong Kong Academy of Medicine. He currently teaches undergraduate and postgraduate students. His dedication and passion for teaching and training has allowed him to receive excellent feedback.

EVENT

Tea Symposium T1D1

VENUE

Lecture Hall C
Shangri-La Sabah Ballroom

DATE

June 9th, 2022

Thursday

TIME

4:30pm - 5:30pm

Dear Healthcare Professional,

ZP Therapeutics invites you to attend our tea symposium on the topic of

“The Importance Of Anabolic Agents In Patients At High Risk For Bone Fracture”

by Prof Datuk Dr Sabarul Afian Mokhtar

KL WELLNESS CITY

Cordially Invites Distinguished Doctors to Be Part of Our PIONEER Team

OPPORTUNITY TO CO-OWN AN INTERNATIONAL TERTIARY HOSPITAL

BENEFITS OF OWNING MEDICAL SUITES NEXT TO AN INTERNATIONAL TERTIARY HOSPITAL

Speakers:

Dato' Dr Colin Lee

Managing Director of KL Wellness City

Francis Lim

Director of Corporate Affairs &
Hospital Services KL Wellness City

Date:

9th June 2022 (Thursday)

Time:

2.30pm to 3.00pm (Slot 1)

3.30pm to 4.00pm (Slot 2)

4.30pm to 5.00pm (Slot 3)
